

What should regulators do to mitigate botnets?

- Karine e Silva Dec 1, 2016

Botleg Project

Obstacles

- Legitimacy & Legality
- Unclear Liability
- Lack of Transparency
- Lack of Accountability
- Fear of Regulatory Capture

Soft law + self-regulation

- Pros and cons
- Codes of conduct
- Sectorial guidelines

Hard law: the legal minimum

- Civil society oversight
- Duty of care
- Criminal and civil liability
